## Profile

I am detail-oriented and make use of all available resources to ensure fast and high-quality execution of work. I am good at working in teams and communicating with clients, which is reflected in the high customer rating (4.9/5) I received at Youpret. Responsibility and the ability to work in large and new teams on various projects are among my strengths. However, my greatest strength is the ability to quickly adapt to new environments and learn new skills rapidly, ensuring that the team's progress does not slow down.
